

Inter Corporate Badminton Tournament 20 - 22 January, 2012

'Let's Shuttle!'—After the roaring success of last year's badminton tournament, we are delighted to bring it to you again this year. The 'Inter Corporate Badminton Tournament' for corporate professionals will be held from 20th to 22nd January, 2012.

We invite you to come and compete with players representing over 30 other organizations. It will be a great opportunity to all Corporates to show their skills and showcase their talent at the game of a racquet and the shuttle!

This event is being held to celebrate the Sport.

If you fancy being a spectator rather than a participant, there will be several exhibition matches staged, where you will witness the feather skills of leading celebrities. Also planned is a panel discussion that would cover the nuances of Sports Entrepreneurship and Management, featuring some of the biggest names in the field.

The tournament will feature Corporate Team Event, Individual Open Corporate Event, and Executive Special.

With the Sponsorship from Corporate establishment, The Pullela Gopichand Badminton Academy aims to fulfill its vision of identifying young champions and supports them with Medical insurance, Scholarship and will continue to provide the facilities subsidized for the talented youngsters who have proven themselves in the national circuit.

The Academy also aspires to expand their reach to greater number of young shuttlers in the country, by further developing and expanding their facilities, and sponsoring many more promising youngsters who cannot afford training.

The tournament will be held at the Country's leading badminton facility, the Pullela Gopichand Badminton Academy (PGBA), Located in Gachibowli. PGBA has earned a reputation for being the most preferred training facility among the best of Indian shuttlers. It has been a constant endeavour of this academy to popularize the sport of badminton, and produce world-class players who is doing India proud.

To that end, the academy has 8 World-class indoor badminton courts. The academy also emphasizes on fitness apart from the sport of badminton, so it also houses a top-notch fitness centre, table tennis facilities, swimming pool, Skating, Gymnasium, and the latest addition, a newly laid training ground, cafeteria and accommodation facility.
